SERVE UP

Fire Safety

IN THE KITCHEN!™

Parents and Caregivers,

Cooking is the No. 1 cause of home fires and home fire injuries. This year's Fire Prevention Week™ (FPW) campaign, "**Serve Up Fire Safety in the Kitchen!**™", works to educate everyone about simple but important actions they can take to keep themselves and those around them safe.

FPW is a perfect time to complete this cooking safety checklist together. If you checked **YES** on all the boxes, great job! If some boxes are checked **NO**, work together as a family to turn them into a **YES**.
