**II. REVIEW OF ALTERNATIVE REVENUE
SOURCES**

Roy Wall, Finance Director, reported that a number of alternative revenue sources had been reviewed by staff for Council consideration. Director Wall stated that under the limitations placed upon the City by Ballot Measure 50, the evaluation of other revenue sources was prudent in an effort to ensure that critical services to the community can be maintained or cut back to a lesser extent.

Director Wall reviewed several revenue options; Marilyn Holstrom, City Administrator, reminded the Council that some of the revenue options could be controversial.

After much discussion, Council suggested that staff pursue four revenue options and return to Council with reports: a fire suppression fee with master meters for multi-family; an Admissions Tax; a Public Safety Charge for Portland-Fairview RV Park; and, a franchise fee on the City's water utility.
