FROM THE DESK OF MAYOR MIKE WEATHERBY.....

Hello, the best to all of you. This October I have asked for a meeting of the elected officials of Fairview, Troutdale, and Wood Village, to talk about the Halsey corridor. The corridor runs along Halsey from 201st through Troutdale. Enhancements to this corridor would improve the beauty of the area, help with economic development of all three cities, and show each city's individual uniqueness. Fairview's Economic Development Advisory Committee (EDAC) has put in a great deal of work pursuing this, and we welcome our two neighboring cities in our continuing pursuit of constructive progress and a better quality of life for you all. —Sincerely, Mayor Mike
