## Mayor's Thoughts October 2016

On September 9<sup>th</sup> at the VA Veterans Out Patient Medical Clinic in Fairview, Four District Garden Club from The Oregon State Federation of Garden Clubs, Inc. dedicated a Blue Star Memorial Marker. The Blue Star Memorial Program honors all men and women who have or are serving in the United States Armed Services. There are 79 markers in place around the State of Oregon and I am proud and honored that Fairview was chosen to have one. The Blue Star Memorial Marker will reinforce our dedication to those who serve or have served protecting our freedom. The memorial is located by the main entrance to the clinic. It is well worth the time to drive through the parking lot of the clinic to see it. *Mayor Ted Tosterud*

## HELP PREVENT FLOODING OF FAIRVIEW STREETS

It is that time of year again. Trees are a valuable resource to our City throughout the year but the deciduous trees, including street trees, are dropping leaves right now. Help prevent flooding and keep the storm water system clean by inspecting the storm drains outside your house and keeping them debris free. When you are clearing your sidewalk or driveway, please do not rake or blow the leaves from your yard into the street. To clean a clogged storm drain stand on

the curb and use a rake or pitch fork to clear leaves, limbs, and debris from the catch basin. Do not attempt to remove the grate, only the debris on top of the grate. Place leaves in your yard debris roll cart for easy removal and recycling.
