Summer Events 2018

A **"Big" Thank You** to all of the supporters who helped make this summer's community events a huge success.

Both **Flicks in the Park** were well attended and enjoyed by many. Thank you to Cascade Braces, Friends of Fairview, and East County Recreation for bringing fun and engaging pre-movie crafts and activities.

The Multnomah County Sheriff's Office hosted a great **National Night Out**. Thank you to our supporters: Townsend Farms, Friends of Fairview, Target, Frito Lay, and Fairview Chevron; all the great volunteers who came out to help; and organizations who came to participate.

We could not host these great community events without the support of our business partners, volunteers and event participants.

And the events are not finished. Check out **Fairview on the Green** and **Chalk the Walk** September 8 at Community Park.

Reminder...

Back to School:
KEEP OUR CHILDREN SAFE.

Mayor's Thoughts... I want to personally thank all of you that attended the Grand Opening of our Nature Play at Lake Shore Park. We had a great turnout and served 75 hot dogs (my favorite). The new Nature Play equipment is great. Please stop by and enjoy the park.

Please plan on attending the Fairview on the Green on Saturday, September 8 from 10 AM to 8 PM. The event is hosted by Friends of Fairview and is free to all ages. There will be music acts, inflatables for the kids, arts and craft vendors, Chalk the Walk competition, food vendors and a beer and wine garden. **Mayor Ted Tosterud**

Recycling: What goes in the Bin

You've likely heard about changes to recycling markets around the world. One of the best things you can do is make sure you're recycling right by putting the correct materials in your recycling bin, and keeping trash out. When in doubt, throw it out. Questions about what goes in the bin – and what stays out? Find information at www.oregonmetro.gov/news/recycling-what-goes-bin or call Metro at 503-234-3000.

PROGRAM INFORMATION In 2016, the communities of Wood Village and Fairview identified a need for enrichment and recreational activities for children and youth. The cities elected to work together in a spirit of collaboration to address this need. As a result, PlayEast!, also known as East County Recreation, came to fruition. Thanks to our amazing sponsors, our June fundraising dinner raised over \$13,000 for the children and youth of our community. Our heartfelt thanks to all of you who gave so generously.
