NOVEMBER 2018

Public Works Facility Fee

The City Public Works Shop located at 48 First Street is not structurally sound in the event of a seismic event. This building was constructed in 1949 when building practices differed from those required today. Because City vehicles and equipment that would be used to assist citizens in the event of a seismic event are stored in this building, it is imperative that it be able to withstand a disaster.

Council diligently considered all options and determined it was in the best interest of the citizens of Fairview to construct a new Public Works shop facility. Different methods of funding were explored and the public was given the opportunity to share their feedback as to a preferred payment method.

Council approved a utility fee which will be assessed on your *(continued)*

City Council Accepting Applications for Volunteers

City Council is seeking applications for these positions. Committee descriptions are available at the Volunteer Opportunities tab at www.fairvieworegon.gov. If you are interested in volunteering for one of the following City Council Advisory Committees, please submit an application to the City Recorder. Applications are available in the Administration Office of City Hall or via the City website at www.fairvieworegon.gov/CommitteeApplication.

Accepting applications for:

- Budget Committee - 3 positions
- Planning Commission - 3 positions
- Parks & Recreation - 3 positions
- Economic Development - 2 positions
- Community Engagement - 3 positions
- Public Safety - 2 positions

The deadline to submit applications for appointment consideration by the City Council is Monday, November 26, 2018 at 5:00 PM. Budget Committee and Planning Commission candidates will be interviewed prior to appointment consideration. Please call 503-674-6224 with any questions or for additional information.

Winter is coming! It should come as no surprise that each winter we here in Fairview have the very real possibility to experience several days a year of snow and icy conditions. Now is the time to prepare yourself, your vehicle and your household for days of cold weather. Be sure to stock up on supplies that you may need such as non-perishable foods, medications, baby supplies, pet supplies, or other items you may need but may not be able to travel safely to your local store to buy. Make sure you have tools and/or supplies on hand to remove unsafe ice or snow from your sidewalks/walkways. Create a kit for your car that includes some non-perishable food, a light source, a heat source (such as a fold-up space blanket), portable cell phone charger, jumper cables, road flares, first aid kit, and anything else you might need should you find yourself out on the road for an extended period of time when the ice storm hits (remember the big one two winters ago?). Please monitor media sources and MCSO's information platforms (Facebook, Twitter, Instagram) for latest weather warnings and road restrictions. If an order requiring traction tires or chains goes into effect, please heed those warnings and do not become a victim to the environment.

As you prepare your vehicle and household for the winter, do not forget to check in with your neighbors and make that connection to ensure that you can be of help if or when the time comes; here in Fairview, we should watch out for and help take care of one another. Also, use this time to take stock to see if you and your household are prepared for other types of emergencies. And remember, stay safe out there! *Fairview Chief of Police Harry Smith*

PW Facility Fee - (continued)

your next bill. The fee allows staff to spread the cost of the new building as evenly as possible to all utility users.

Average residential and business customers will be billed \$4.82 per month. Apartment complexes will be billed \$4.82 per unit, adjusted by the vacancy rate as reported by the Metro Multifamily Housing Association.

Demolition of the current structure is slated to occur in early 2019, followed by construction of the new facility at the current location.

If you have questions regarding this fee or the new facility, please contact the Utility Billing Department (503) 665-7929.

City Hall Holiday Closures:

November 12, 22 & 23 | December 24 & 25 | January 1

Did You Know?

Airbnb & Vacation Rentals

With the holidays around the corner and the increase in travel that goes with, city staff wanted to remind citizens that short-term rentals (30 days or less), are not allowed in any single family residential zone in Fairview. If you have questions, please call the Planning Dept. at 503-674-6206.
