### Citizen Meeting - Neighborhood Watch Program

Residents of Fairview are working together to reinvigorate a sense of community and safety in their neighborhoods through a more formal neighborhood watch program.

Monthly meetings have been established for concerned citizens to gather together to discuss how they can be a positive, organizing force in their particular neighborhoods. The goal of the program is to create connections among neighbors, reduce crime through education and environmental design, receive training modules from law enforcement, and learn how, as citizens, to deter or respond to crimes.

The citizen-led meetings will be held the third Tuesday of each month at City Hall in the Heslin Conference Room on the first floor. The next meeting is scheduled for **Tuesday, March 19, 2019 at 6:00 p.m.** Come and learn how you can make a difference in your neighborhood!

Reminder to set your clocks ahead...  
Daylight Savings Time Begins March 10!
