Council Adopted Advisory Committee Work Plan

FY 2020-21

Adopted 08-19-20, Resolution 24-2020

Economic Development Advisory Committee (EDAC)

Liaison: Councilor Bahvant Bbullar

- Continue to support and work in partnership with the HC3 by providing a voice for Fairview on the committee, reviewing standards to create “Main Street Feel” (WP #7), exploring roundabout at NE Fairview Parkway (WP #8), and identifying a use for the PP&L property that supports economic development and helps attract visitors to the Halsey Corridor. (Goal 5)
- Assist in identifying vacant or underutilized lots and public/private partnership options to create a preferred development. (WP #4)

As time and resources permit:

- Investigate options for the 6th Street right-of-way between Halsey and Lincoln streets, including the option to vacate the right-of-way to provide additional development opportunities with Halsey frontage.
- Develop a promotional video and marketing packet to advertise the benefits of Fairview as a business-friendly community, promote urban renewal incentives, and create a positive image as a business location. (Goal 5)
