

RESOLUTION
(39-2011)

**A RESOLUTION OF THE FAIRVIEW CITY COUNCIL (IN ITS CAPACITY AS THE
CONTRACT REVIEW BOARD FOR THE CITY) AUTHORIZING A SOLE-SOURCE
CONTRACT PURSUANT TO ORS 279B.075 AND OAR 137-047-0275**

WHEREAS, Cemex, a global building materials company that produces, distributes, and sells cement, ready-mix concrete, aggregates, and related building materials, approached City staff about performing a pilot project for road maintenance in the City;

WHEREAS, Cemex proposes to resurface Wistful Vista Dr. with a new process called “roller-compacted concrete;”

WHEREAS, Cemex is seeking to introduce this process into the Pacific Northwest region and has asked the City whether it is willing to allow the resurfacing of Wistful Vista to act as a test project for the new process;

WHEREAS, City staff has determined that Cemex is currently the only company with the machinery and expertise necessary to maintain Wistful Vista using roller-compacted concrete; and

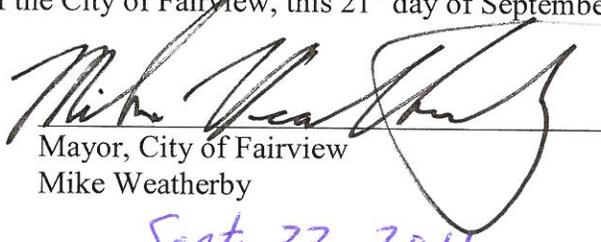

WHEREAS, City staff expects that resurfacing Wistful Vista with roller-compacted concrete will result in a street that is more resistant to normal wear and tear and will demand less maintenance in the future.

**NOW, THEREFORE, BASED UPON THE ABOVE FINDINGS, THE CITY COUNCIL
OF THE CITY OF FAIRVIEW RESOLVES AS FOLLOWS:**

Section 1. The City Administrator or his designee is authorized to enter into a contract with Cemex for the resurfacing and maintenance of Wistful Vista Dr. in an amount not to exceed \$35,000.00

Section 2. This resolution is effective from and after its passage by the City Council.

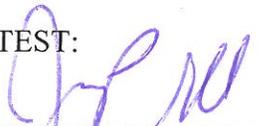

Resolution adopted by the City Council of the City of Fairview, this 21st day of September, 2011.
