

Curbside Recycling Guidelines

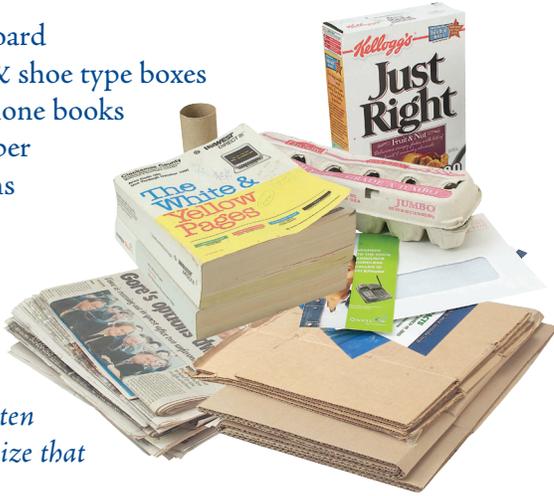

In the Cart

Paper

- ✦ Flattened cardboard
- ✦ Cereal, cracker & shoe type boxes
- ✦ Magazines & phone books
- ✦ Mail & office paper
- ✦ Paper egg cartons
- ✦ Newspapers
- ✦ Paper bags

Cardboard boxes should be placed inside the cart. Flatten and cut boxes to a size that will fit.

Put your small scrap paper items and shredded paper in a paper bag before placing in the cart. This will help reduce litter when the cart is emptied on windy days.

Plastic (no lids)

- ✦ Plastic bottles & tubs - 6 ounces or larger
- ✦ Rigid plastic nursery plant pots - 4" across or larger
- ✦ Plastic buckets

Metal

- ✦ Clean metal cans & lids
- ✦ Clean foil items
- ✦ Empty aerosol cans
- ✦ Other small metal items

Near the Cart

Motor Oil

Put in a transparent jug to the side.

Glass

Place all colors together in a bin to the side.

Equipment at Oregon and Washington paper mills is damaged when glass shards are mixed in with recyclable paper. Always keep glass bottles and jars out of the cart.
