

14th ANNUAL FAIRVIEW ON THE GREEN FESTIVAL Saturday, September 12, 2020

Local festivals are the cornerstone of community, as they bring together neighbors in a family-friendly environment. They're places where everyone and anyone can play, listen to music, and shop local vendors. This year will be the festival's 14th year. The event's mission is to increase community awareness and pride, plus elevate area tourism, education, and economic development. To meet those goals, we need your help to continue this local tradition by sponsoring our 2020 Fairview on the Green festival.
