

Summer 2020 Camp Program Protocol level 1 & 2

**Every region should fall within one of these protocol levels with adjustments based on state and local guidelines*

Level 1 – Isolated Groups with Limited Participant Interaction and Modified Curriculum

Small groups of 10 or less each lead by an instructor with strict restrictions on physical distancing. Children will remain 6- feet apart within small groups and will participate in modified drills and games to ensure physical distancing within small groups of 10 or less. All camp groups will be led by a different coach and maintain a distance of at least 15-feet to avoid large gathering sizes. The attached guidelines and policies will be strictly enforced to limit contact and the spread of germs. Equipment and facility contact surfaces will be sanitized after each session by program staff. Program staff are required to wear cloth face coverings at all times. Program participants may need to have their temperatures taken upon arrival based on direction from local Skyhawks management.

Level 2 – Virtual Programming Only

No in-person programming will be offered. Instead, PlayEast will work with provider and or instructors to create virtual programming led by provider or instructors. Program types, formats and availability will vary by provider or instructor.
